

Upgrade to an Ecomax or Bar Aid with Hobart Interest Free Credit

Hobart Independent has launched a complete interest free credit solution. Through our distributor network, we can supply you with warewashing equipment using the unique Hobart 12 month's interest free package. This one off scheme is completely funded by Hobart and contains absolutely no interest on our products.

Reasons to choose interest free credit:

- 1 You can spread the payments over 12 equal monthly instalments thereby freeing up cash for other projects.
- 2 Absolutely no interest charged by Hobart. What you pay is the value agreed divided by 12 monthly payments.
- 3 On receipt of the 12th payment, ownership of the product is yours
- 4 Allows you to upgrade from a less expensive manufacture to a quality German manufactured Ecomax or Bar Aid machine

How the 12 Month Interest Free Offer Works:

- Select the Hobart products you require with your distributor.
- Hobart carries out a credit check.
- If the credit check is approved all paperwork is sent out to be completed for the purchase.
- Once the agreement is signed delivery and install of the chosen product(s) is arranged via the Hobart Independent distributor.
- Direct debits will be set up and collection terms agreed.
- First payment required on order completion.
- Products are delivered.
